  - 00:09:24 - "As you may or may not be aware, there was a bunch of arrests made in Coutts Alberta, those guys have packed up and going home, I guess."
  - 00:09:43 - "I posted a photo of the loot-haul that was allegedly seized by the RCMP there... **they made a note to point out that one of our symbols here \*points at Diagonal flag behind him\* this flag which I'll explain in a minute, was seen on some of the equipment there. I have no idea where those came from, who those belong to, who put them there, who brought them there, did the police put them there? As far as the situation goes in Alberta, I have no idea what went on there.**"
  - 00:15:11 - "As far as this flag goes, its literally a joke that I made... first of all if the name isn't readily apparent, \*wide-eyed, invoking irony\* its name... Diagonal... I was pretty stoned on edible marijuana when I came up with this."
  - 00:16:12 - **Personal** describes how he had noticed that all the US militias that have agreeable politics to his own seemed to form a diagonal line from Florida to Alaska. So I called it Diagonal and its a pretend country that doesn't exist."
  - 00:24:39 - "I'm going to be emptying my entire cryptocurrency wallet - for cash - if you guys wanna go for war, I guess that's what you want."

- CIG OSINT identified a tweet on the account associated to **Personal Info.** at 0926hrs: Has Canada entered a phase of financial tyranny? The post shares an article by The Counter Signal which claims they exclusively obtained an order sent by the RCMP which demands that all FINTRAC regulated companies in Canada cease transacting with 34 cryptocurrency wallets alleged to be associated with the Freedom Convoy in Ottawa. This includes a wallet associated with the HonkHonkHodl campaign which contained over \$1 million.
